Set in the picturesque village of Drousia, this exclusive collection of contemporary residences offers a distinctive approach to Mediterranean living, where natural beauty, modern design, and tranquillity come together. Surrounded by the captivating landscapes of the Akamas region, Drousia is renowned for its authentic village charm, unspoilt coastline, and breathtaking views across the mountains and the Mediterranean Sea.

The development comprises a limited collection of 26 residences, including apartments, maisonettes, and villas, with a variety of studio, one-, two-, and three-bedroom layouts to suit different lifestyles.
