Residential Land for Sale in Parekkklisia

€250,000

 Parekkklisia, Limassol

Area

 1043 m²

Type

Field

Title deed

Yes

This 1,031 sq.m. residential plot is located in the peaceful area of Parekkklisia, offering 30% building density, allowing for the construction of approximately 350 sq.m. of covered areas. The plot is adjacent to a 785 sq.m. green area, ensuring no neighboring development on one side and providing privacy and a serene environment.

The location is ideal, just a few hundred meters from Parekkklisia's main road, granting easy access to supermarkets, gas stations, restaurants, and other essential amenities. The beach and seafront are only a 3 km drive away, making it an excellent choice for both permanent residence or holiday home.

The plot is currently part of a share of land, with a submitted and
